This Contract merges and supersedes all prior negotiations or agreements of the parties, either written or oral, made either prior to or contemporaneous with this Contract. This Contract cannot be modified or amended except by a subsequent written instrument executed by the parties which expressly supersedes the provisions of this Contract. This Contract, together with its attachments, constitutes the complete, exclusive and final agreement between Buyer and Seller. Any additional or different terms provided by Buyer in subsequent purchase orders or other documents shall not be binding. The rights and obligations under Sections 7 through 23 will survive the cancellation, termination or expiration of this Contract.

2. DELIVERIES. Buyer shall give Seller written prior notice of the desired timing of deliveries. Seller shall only be obliged to meet agreed deadlines for deliveries if such deadlines are expressly agreed upon in writing and if all specifications in connection with such deliveries are received from Buyer in a timely manner and if Buyer complies with all other agreed terms and conditions (including the respective payment obligations). In the event that Buyer fails to do so, the delivery period shall be appropriately extended.

Any right of retention or offset of Buyer shall be excluded.

5. TITLE / CREDIT. Unless otherwise agreed to in writing in advance, title to the Product shall remain with Seller until receipt by Seller of all amounts due from Buyer. If Buyer fails to pay any invoice in accordance with the terms of this Contract, or is past due in payment of any other amount owing to Seller, Seller may, at its option (and without liability and without prejudice to any other remedies) take all legal actions to recover all payments owing to Seller by Buyer, stop any Product in transit, and/or decline further performance of this Contract. If at any time in the judgment of Seller, the financial responsibility of Buyer is impaired, Seller may change the terms of payment and may require advance payment as a condition of shipment.

If freight or other transportation costs are increased, Seller may add any such increase to the Contract price without prior notice thereof to Buyer.
